

Welcome to Summerplace Guesthouse - Madeira

At last! A touch of class in Madeira on the unspoiled South - West Coast!

Welcome to our beautiful, small boutique-style guesthouse "Summerplace", situated in an elevated position in a quaint rural hamlet. We have magnificent views of the Madeira Nature Reserve and of the "mother-of-pearl" Atlantic Ocean glistening in the background. Here you will find a sanctuary to rejuvenate and relax. Breathe the fresh unpolluted mountain air, enjoy beautiful uninterrupted scenery of the Madeira countryside, enjoy hiking and levada walks on our doorstep and expect gracious accommodation and personalised service. We welcome our discerning guests to a stylish and chic holiday refuge with all the modern conveniences such as high-speed internet access, free WI-FI, flat-screen satellite TV / radio, DVD player and infinity swimming pool.

We are unable to accommodate children under the age of 16 years.

"The joy of travel is that you never know what you are going to see or who you are going to meet next! Madeira has exceeded our expectations and staying at Summerplace with exceptional hosts, has been a pleasure! Thank you both for your gracious and kind hospitality. You deserve all the praise and success that comes your way. Hope to meet you again." Joe and Nasreen, U.K.

An excellent alternative to mass-market impersonal hotels, Summerplace Guesthouse offers an intimate charm no hotel can match. We pride ourselves in creating a pleasant and warm atmosphere for you. Each of the 5 rooms has been thoughtfully designed combining contemporary decor and fabrics with antique furniture and paintings to create a homely, stylish and comfortable ambience. Souvenirs and artefacts from Africa, Asia, Europe and America collected by us on our travels adorn the walls and floors.

And for the nature-lover, the wonderful Madeira levada walks begin a short distance from here. There are mountain-biking and hiking trails immediately behind the Guesthouse. The country air here is crisp and clean, a contrast to overcrowded and noisy Funchal.

Summerplace is owner-run and managed. We like to think we have taken the B&B (bed and breakfast) concept to a new level. We are able to offer an unrivaled personal service to all our guests. You will leave feeling rested, refreshed and invigorated. Let us pamper you in the luxury of our very special guesthouse where unforgettable holiday memories are made!

We speak English, German and French.
