

## Summerplace Guesthouse - Our Facilities

Accommodation at Summerplace Guesthouse on Madeira includes:    **Breakfasts**

We personally love good food!

Breakfasts are included in the room rate. The breakfast buffet is a feast and is sure to satiate your appetite for the whole day. It is offered either at the grand twelve-seater dining table, or if you prefer, next to the rimflow pool on the open viewing deck.

### Menu

Enjoy a spread of fresh home-made breads, muffins, quiches, jams and yoghurts. We also offer a fresh fruit salad, local cheese platter and cold meats, smoked salmon with cream cheese and capers, breakfast cereals, 100% fruit juices and hot beverages.

The full English breakfast is offered together with the above and consists of bacon, eggs to order, sausages, tomato, and mushrooms. We will also individually prepare an omelette of your choice. Vegetarian and strictly vegan dishes also prepared upon request.

Owners and staff are always attentively present to introduce guests, answer questions, give suggestions, provide information and maps, facilitate conversation and generally get your day off to a good start.

### Levada Picnic Pack

We will happily prepare a picnic pack for those long enjoyable levada walks and nature-hikes.
